

NURSERY LEWSLETTER

December 6-10, 2021

Dear Families,

Four Seasons in a year and Seven Days in a week. This week the children were learning about the changes that occur in the weather during the course of the year. We are reading books – “Watching the Seasons,” by Edna Eckart, singing “Season of the Year” and talking about what happens in each season and which is each person’s favorite time of year. The children are becoming knowledgeable about the natural world around them, especially focusing on the changes of the leaves and the temperature happening in the Fall.

Another big hit was learning the days of the week by reading the daily adventures of mischievous Cookie the Cat in our book, “Cookie’s Week,” by Cindy Ward and Tomie dePaola. Starting on Monday, Cookie gets into some kind of daily trouble and ends up making a big mess. Martha is reading the book following the sequence of the days of the week; Cookie will rest on Sunday.

On Thursday we made pizza bagels, a delicious snack. Thank you to the families of Melanie (strawberries), Maxx (Teddy Grahams), Eleanor (grapes), and Logan (choc chip cookies enjoyed by the staff) for their generous treats.

Wishing all families a safe and fun-filled weekend.

From, Grazia for the Nursery Team
