

SCIENCE DISCOVERY CAMP 2025

Mon- Fri Feb. 17-21

9 am – 3 pm \$450

Early drop-off and Late Pick-Up
(available)

Spuyten Duyvil children are invited to a week of scientific fun and exploration during Mid-Winter Holiday Week, Feb 17-21.

Science Discovery Winter Camp will offer your child an opportunity to explore first-hand the changes in water, color mixing, batteries & bulbs, volcanoes and other open-ended explorations, all in a setting they are comfortable in with teachers they know. Another nice feature of this week is groups will be mixed ages of 3 and 4-year olds as appropriate.

Discovery Camp is led by long-time teacher at Spuyten Duyvil, Alda Homan. Other current SDP staff will fill out the rest of the supervision. To enroll contact Judi by email with what hours and days you need. You will then be billed; full payment is due upon enrollment to reserve your spot. For current students we already have your medical and emergency info on file.

Children bring lunch from home; we will serve snack. Younger children will rest after lunch. Older kids will have another age-appropriate activity just for them after lunch.

Science Discovery Camp Fees

	9-3 pm	+ Early drop-off from 7:30	Only Late pick-up to 4	Full day 7:30-4
5 days	\$450	\$540	\$520	\$575
3 days *	\$300	\$400	\$350	\$425
2 days *	\$250	\$300	\$275	\$325

* Some projects will develop throughout the week; others will be more open-ended and exploratory lending themselves to part week attendance.
